

Rule 16 Prefixes Auto, tele, circ

Auto - usually means 'oneself' - e.g. - autobiography means a book written about oneself. It can also mean 'by itself' - e.g. - automobile is 'moving by itself'.

Tele - always means 'from far' - e.g. - a telescope helps you see things 'from far' away.

Circ - means round - e.g. - circular means round in shape.
